POOL GUIDELINES

- All swimmers need to take a cleansing shower prior to entering the pool
- Young children need to wear appropriate swim diaper and rubber pants
- Lanes may be designated for private lessons at any time
- **SPLIT** the lane when needed to accommodate members
- During Lap Swim times we ask that members who are water exercising use the lane 1
- Please be courteous and respectful of your fellow members and willingly share the pool space
- Safety rules must be followed at all times including no diving and no running on the deck
- The Club reserves the right to adjust the pool schedule at any time
- Children must be supervised at all times while in the pool area. Children under age 12 are only permitted in the pool during designated Family Swim Times. Children ages 12 and older who are capable of swimming without assistance may swim during Lap Times.

We believe even a little Group AQUA is better than none. If you can only practice for a short duration we suggest that you arrive on time, stay to the back of the class and allow at least 5 minutes for cool down before leaving quietly.

THE GROUP SCHEDULE IS A ROTATING SCHEDULE.

The management reserves the right to make schedule changes as necessary.

Classes with poor attendance are subject to cancellation.
